Student Achievement

As part of a comprehensive system to evaluate student achievement against certain learning objectives, the University of Oklahoma Master of Regional and City Planning (MRCP) program assesses each student based on their understanding and application of key *Knowledge sets, Skills and Values* related to the planning profession. The following is a brief overview of the direct assessments performed to ensure our students are advancing in the program and later in the profession.

Written Comprehensive Exam

Each student is required to take a 120-question, multiple choice examination assessing planning knowledge the semester they intend to graduate.

Performance Target: 80% of graduating students will receive an 80% or better on written comprehensive exam

Results 2017-2018: (N=8) 87.5% received an 80% or better

Learning Portfolio

Each non-thesis student is required to compile a learning portfolio including submission of class-related works, a reflective essay, a statement of career goals, their original statement of intent among other items. This material is used by faculty to evaluate the student's preparedness for professional planning work after completion of the program.

Performance Target: 80% of graduating students will receive MEETS EXPECTATIONS or better

Results 2017-2018: 100% of learning portfolios received MEETS EXPECTATIONS or better

Oral Defense

In front of a faculty committee, each student is required to defend their performance and responses on the written comprehensive exam, the learning portfolio and to a set of prepared questions that address planning knowledge, skills and values. This is designed to assess a student's familiarity and substantive knowledge of key planning concepts, principles and practices.

Performance Target: 80% of graduating students will receive MEETS EXPECTATIONS or better

Results: 2017-2018: 100% of graduating students MEETS EXPECTATIONS or better
