## Directed or Honors Readings/Special Studies/Independent Study Topic Sheet

---

**Student:**

This form is to be used to design a special individualized course. You are responsible for the content, end product, and to identify the faculty member responsible for sponsoring and grading the course. The faculty member is responsible for monitoring the progress, assigning the appropriate credit hours for the work required and recording the grade earned for the project. All courses are S/U graded. Once the instructor agrees to the course and signs the proposal, the form is routed for approval. If approved, your academic advisor will enroll you in the course. This form is kept in your student file.
