The Planning Accreditation Board requires this information be posted for the Master’s of Regional and City Planning at the University of Oklahoma. The program contains two-degree options including a 44-credit hour nonthesis, comprehensive exam option and a 48-credit hour thesis option.

### Student Achievement

The University of Oklahoma’s Master of Regional and City Planning (MRCP) program assesses each student based on their understanding and application of key Knowledge sets, Skills and Values related to the planning profession. In addition to student success in the classroom, the MRCP degree requires that students take a written comprehensive exam, submit a learning portfolio, and pass an oral defense.
